CBH Fertiliser Product Guide

CBHGROUP

Fertiliser on your terms

Our fertiliser product range comes from reputable, established suppliers and our product testing ensures the best quality fertiliser for your business.

Follow these steps to place your order.

AN EASY FOUR STEP PROCESS

1 Contact your Fertiliser Area Manager or local Business Relationship Manager for the latest prices, or request a quote at www.cbh.com.au/fertiliser

2 Fertiliser contracts will be sent to you with product, price, pick-up period, payment terms and T&C's.

3 Collection bookings can be made quickly using the Fertiliser Booking calendar available in LoadNet.

Scan the QR code to access our How to Guide for the booking calendar.

4 Pick-up from Kwinana Fertiliser Terminal and other CBH Fertiliser sheds is integrated with our new LoadNet Fertiliser Booking calendar.

Scan the QR code to access our How to Guide for the Domestics App for fertiliser pick-ups.
