2026/27 Grower Freight Rates

Destination Freight Charges for 2026/27, as at 9 Oct 2026

2027 Season's estimated freight rates may be **REVISED** during harvest to reflect significant changes in grain delivery patterns, rail access, fuel prices and transport availability.
Growers who nominate grain for sale between 1 October 2026 and the February 2027 invoice date will be charged freight based on the finalised February 2027 freight rates. Nominations made after this date will be invoiced separately on a monthly basis.
Geraldton, Albany and Esperance Port rates are based on average Port and Depot costs and apply to Growers only, not Marketers.
Due to another large harvest expected and strong export demand, CBH is prioritising available transport capacity on established freight pathways. Out of Zone (OOZ) nominations will therefore not be available for the 2026/27 season.

Some sites MAY NOT OPEN during harvest. Please contact your Area Manager for confirmation.

Grower Freight Rates are quoted in $/tonne and exclude GST.
