## With MarketPlace on DailyGrain

### Placing an Offer

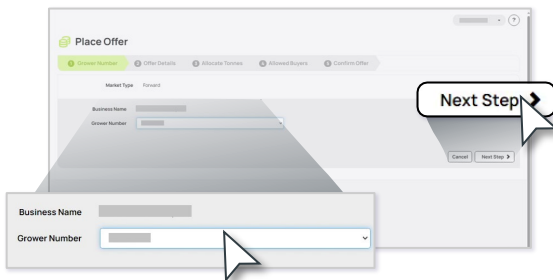

**1** Click on the **MarketPlace** tab and select one of the sub tabs. In this example we will select **Offers**.

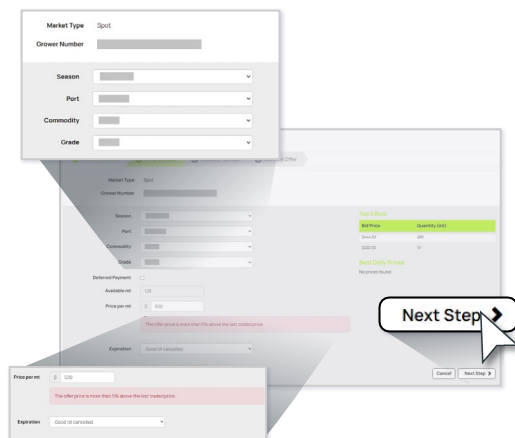

**Note:** Ensure the filters are set correctly so you see the right information.

**2** Ensure you have the correct Market selected, then click **Place Offer**.

**3** Select the correct **Grower Number** then click **Next Step**.

**4** Fill out the **Season, Port, Commodity** and **Grade** fields.

**5** Enter the **Price per ton** and select the **Expiration type**.

**6** Then click the **Next Step**.

**7** Continued on the next page...

**7** You can select a specific **Offer Volume**, or you can allocate **Select Loads**. In this example, we will enter in an offer volume.

**8** Then click **Next Step**.

**9** Check that all the offer details are correct, agree to the **Terms & Conditions**, then click **Place Offer**.

**10** Your offer will be submitted, and you will be taken back to the offers screen where you can see your placed offer.

**Note:** When buyers are wanting to buy your grain, their bid must be the full volume or greater than the volume of your offer.
